## One day workshop on New Innovations in Pharma Industries

## **31st October 2019 – One day workshop on New Innovations in Pharma Industries**

Chettinad Institution Innovation Council and the Chettinad School of Pharmaceutical Sciences jointly organized a one day workshop on newer innovations being witnessed by the pharmaceutical industries. The invited facilitators were Dr.Thanga Mariappan, Senior Lead Investigator, Biocon Bristol Squibb R&D centre, Syngene international, Bangalore and Dr.T.Geetha, Formulation group lead, SPI Pharmainc, Bangalore. Dr. Mariappan gave an overview on the current status of the pharmaceutical Industries and what the future prospects are. He also highlighted the various branches of pharmaceutical sciences and the required skill sets that one should acquire in terms of employability. Dr. Geetha discussed the significant role of nanotechnology in drug delivery and introduced the audience to the different types of nanoformulations available in the market.
