Agenda: Raising awareness about the Equal Opportunities cell.

The committee members discussed holding recurring education campaigns about the presence of the equal opportunity cell.

The group came up with strategies to get in touch with all of the staff, students, and faculty members and urge them to file complaints about prejudice they experience at the institute. The members opined the fact that all the students have to be made aware of the mechanism for filing the complaints or inputs in the online portal.

It was decided to request for approval from the Vice-Chancellor and the Registrar. The convener concluded the meeting by thanking each member of the committee for their engaged participation.
