The convener welcomed the members and took the agenda for discussion.

Agenda 1: Review of Disaster Preparedness Initiatives

The committee reviewed all activities conducted during the year, including fire extinguisher servicing, risk assessment reports, evacuation drills, and safety audits. Members acknowledged the improvements made in response time, awareness, and safety compliance. They also recommended compiling the achievements into an annual disaster preparedness report.

Agenda 2: To plan Disaster Preparedness Training Program for Staff and Students

The committee proposed conducting a comprehensive training program for both teaching and non-teaching staff, along with students. The program will include sessions on first-aid, CPR, disaster triage, handling of hazardous materials, and psychological first aid. The committee agreed to invite experts from National Disaster Response Force (NDRF) and local fire services to lead the sessions.

The convener thanked all the committee members for their valuable opinion and concluded the meeting.
