

## Institutional Animal Ethics Committee Meeting - 18.11.2017

S.no	Name of the investigator	Title of proposal	Approval status
1	Ms.Gayathri PG, M.SC Human Nutrition Student (Department of biochemistry),	"Evaluation of antidiabetic effect of Nanoemulsion formulation of Mixed fruit juice extract in Streptozotocin induced diabetic rat".	Advised to carry out the study after in-vitro study
2	Ms. Sushama Das PG M.SC Human Nutrition Student (Department of biochemistry)	"Evaluation of antidiabetic effect of tri-herbal Nanoemulsion formulation in Streptozotocin induced diabetic rat".	Advised to carry out the study after in-vitro study
3	Dr Duraivel Assistant Professor Dept of Pharmacology	"Effect of Supplementation of vitamin-c and quercetin in animal model of pre-diabetes"	Approved
4	Dr Lavanya MD-Pharmacology 2 <sup>nd</sup> Year PG , CHRI	"Effect of Non-caloric artificial Sweeteners (NAS) on glycemic status and gut microbial flora in Swiss Albino mice."	Approved
5	Dr Abinaya MD-Pharmacology 1 <sup>st</sup> Year PG CHRI	"Evaluation of anti-inflammatory activity of combination paracetamol and vitamin C in Wistar albino rats".	Approved
6	Dr Tanuja Lella MD-Pharmacology 1 <sup>st</sup> Year PG ,CHRI	"Anti- rheumatoid activity of Seasmin and sesamol in Freund in Complete Adjuvant induced arthritis in Wistar albinoRats"	Approved
7	Dr.Shoba Narayan Sr Assistant Professor (FAHS), CARE	Targeting 5- Azacytidine /GNP incorporated in protein polymer matrix in isoproterenol induced myocardial infarcted rats.	Approved
8	Sruthi K.H M.SC Medical Genetics and Molecular Diagnostics, AHS, (AHS)	A Study on amelioration of Dextran Sodium sulphate induced genotoxicity and cytotoxicity in mice by Acetyl-11-Keto-B- boswellic acid	Approved
9	B.S Reshma M.Sc Medical Biotechnology (FAHS)	" Evaluation of Antioxidant and Anti-skin aging Properties of Agar from Brown Seaweed in Aging mice induced by D-Galactose"	Approved
10	Dr.Maignana Kumar Assistant Professor Dept of Pharmacology, CHRI	Antipyretic activity of aqueous extracts of Andrographis paniculata & Carica papaya in Wistar albino rats - A Comparative Study.	Approved
