Circular

The next Institutional Animal Ethics Committee is scheduled on 10 Sep 2018.

All the faculty members/students are requested to submit their research proposals if any, for Animal ethics committee approval to the member secretary, IAEC on or before 20.08.2018 for review in the next meeting.

The proposals submitted after the due date **WILL NOT BE INCLUDED** for the current meeting but for the next meeting only.

The proposals should be submitted in the format given by CPCSEA, which can be downloaded from website of CARE. Please refer the following:

**"APPLICATION FOR PERMISSION FOR ANIMAL EXPERIMENTS" – both Part A and Part B** along with the protocol, Investigator's declaration and CPCSEA nominees' signature form.

Part B has to be filled completely with respect to the research proposal. All the questions in Form B have to be answered properly.
