## **ABOUT CHETTINAD ACADEMY OF RESEARCH AND EDUCATION (CARE)**

With a vision to establish a global centre of excellence in teaching, learning, research and health care services, Chettinad Academy of Research and Education has shown remarkable growth. CARE offers various courses in Medicine, Nursing and Allied Health Sciences at both undergraduate and post graduate levels. In Nursing it offers M.Sc Medical Surgical Nursing in the subspeciality of Cardio Vascular & Thoracic Nursing under Chettinad Hospital and Research Institute. It also provides excellent facilities for research.

## **ABOUT CHETTINAD COLLEGE OF NURSING**

Chettinad College of Nursing is one of the constituent colleges of CARE. It offers B.Sc (Nursing) & Post Basic B.Sc (Nursing) programmes. The college provides excellent opportunity for optimal development of clinical skills for the Nursing students through its various clinical specialties with modern technological advances and state of the art equipment.

## **ABOUT THE CONFERENCE**

The United Nations Millennium Development Goals (MDGs) are eight in number and that all 191 UN Member States have agreed to try to achieve this by the year 2015. The United Nations Millennium Declaration, signed in September 2000 commits world leaders to combat poverty, hunger, disease, illiteracy, environmental degradation and discrimination against women. The MDGs are derived from this Declaration, and all have specific targets and indicators. This conference will focus on MDGs and bring together National experts in various specialities will share their expertise with the registered nurses & nursing students on up-to-date challenges of MDGs and also will emphasis the role of nurses to reach MDGs across the nation.
