Students of Chettinad School of Law participated in the twitter live session organized by Dr.Abhay Jere , Chief Innovation Officer,MHRD Innovation Cell a Leadership Talk with Prof.K.Vijay Raghavan Principal Scientific Adviser Govt of India . The Session was highly Interactive. The major aspects discussed by them was about the Impacts of COVID-19 till today in India. The also had brief discussion about the young generation responsibilities during this pandemic . The session also had an talk about the India's Successful movements and steps against COVID-19 . The session was tremendously helpful for the students of School of Law during the lockdown . The Students of School of Law always follow a message that whatever happens the process of gaining knowledge will not be stopped.
