

National Workshop: Conservation of Biodiversity and Natural Resource Management at Sathyabama University

06/03/2020

Students of Chettinad School of Law have participated in the National Workshop on Conservation of Biodiversity and Natural Resource Management sponsored by National Biodiversity Authority, which was held on March 6, 2020. The program kick started at 11 a.m, the event was graced by the Director General of Arignar Anna Zoological Park. Later, the students welcomed the speakers with cheer and it provoked excitement among the students. The speakers discussed key issues such as sustainability of biodiversity, pollution and management. The speakers further pointed out that sustainable consumption of energy at present will lead to an eco-friendly environment. The students of CSOL took a pledge to save the Mother Earth by promoting the ideas of sustainability.
