

SERB, DST, Govt. of India Supported National Conference on Nanotechnology in Medicine

Date: 08.09.2017 & 09.09.2017

Venue: CHRI.

Theme: Scientific Conference

Summary: Science and Engineering Research Board (SERB), Department of Science & Technology, Govt. of India supported Dr. Koyeli Girigoswami (SB/SS/133/17-18, dated 14.07.2017) to conduct a National Conference on Nanotechnology in Medicine at CHRI campus. With a huge support from our honorable trustee and SERB we conducted the conference inviting 11 National eminent scientists from all over India to deliver lecture. The Chief Guest of this conference was Dr. Kishore M Paknikar, Director, Agharkar Institute, Pune. National Conference on Nanotechnology in Medicine was a unique platform to interact with experts in the field of nanomedicine, biotechnology, tissue engineering and regenerative medicine from all over India. The conference provided opportunity to share experience, foster collaboration through different kinds of presentations. This conference was perfect stage that initiates new innovative ideas, capabilities and discoveries that need to be explored. The number of participants were 200 including NSS volunteers, students, research scholars, faculties and scientists from CHRI and all over India like Agharkar Institute, Pune, Amritha University, Kochi, ICT, Hyderabad, Rajasthan University, Rajasthan, SN Bose Institute of Basic Sciences, Kolkata, Calcutta University, Kolkata, American College, Madurai, Annamalai University, Chidambaram, DAE Consortium, Kalpakkam, Hindustan University, Chennai, Madras University, Chennai, B.S. Abdur Rehman University, Chennai, Saveetha Medical College, Chennai, Madras Christian College, Chennai, IIT Chennai, Shankar Nethralaya, Chennai, Sathyabama University, Chennai etc. The conference was very successful with a huge positive feedback.
