Detailed reports

Date : 23.05.2018

Event: Inauguration of Swachh Bharat Internship Programm

Venue: Thaiyur Village

Summary: The swachh bharat internship programm was inaugurated at Thaiyur village by the swachh bharat interns of Chettinad Academy of Research and Education, Kelambakkam. After receiving the permission from District Collector of Kanchipuram district, we started the summer internship with the moto of making the adopted villages clean and provide a healthy environment for the villagers. The interns went from door to door and intimated about the programme. They explained them that UNNAT Bharat Abhiyan 2.0 was launched on 25.04.2018 and Chettinad Aacdemy of Research and Education is a participant Institute. They verbally informed them about the importance of keeping their premises clean, disposal of used water and solid waste, basic hygiene. The students first patiently listened to the knowledge of the villagers about health and hygiene and then added up some better ways that can be opted with the available resources. The awareness camp was very successful and was headed by Dr. Koyeli Girigoswami, UBA coordinator, CARE and Mr Raja, CARE.

Date : 06.06.2018

Event: Village Survey for Swachh Bharat Internship

Venue: Thaiyur Village

Summary: A village survey was done at Thaiyur village by the Swachh Bharat Interns of Chettinad Academy of Research and Education, Kelambakkam. The motive of the survey was to understand the socioeconomic structure of the villagers as well as to find out the problems they were facing on cleanliness in the village. It was also enquired that whether the toilets were constructed by the government and it was found that in the particular ward the toilets are being constructed and in use according to the government scheme. The survey of village camp was very successful and was headed by Dr. Koyeli Girigoswami, UBA coordinator, CARE and Mr. Shiva, CARE.

Event : Hand wash campaign and demonstration in school - Primary Section

Venue : Jagannath Vidyalaya, Thaiyur

Summary: To impart knowledge on handwash an important aspect of cleanliness, awareness on hand wash by the doctors of Chettinad Hospital and Research Institute to the primary section students (class I to IV) was given. A video on the importance of hand was shown followed by a PowerPoint presentation on hand wash and its importance in different kind of diseases. The methods of hand wash was explained and taught in an easy and understanding way with pictures and description to the primary class students. After the lecture a demonstration was also done by the participation of the students and CHRI doctors. The 10 crucial steps of washing hands were demonstrated by the student volunteers of the school by guiding them through the process. At the end the pamphlets indicating the steps of handwash was distributed among the students of the school. The event was very interacting headed by Dr. S Priyadrashini, Head of the Department, Department of Microbiology, CHRI and her expert doctors' team, Dr. Koyeli Girigoswami, UBA, Coordinator, CARE and the swachh bharat interns.

Hand Wash Demonstration-08.06.2018

Date : 11.06.2018

Event : Hand wash campaign and demonstration in school – Secondary section

Venue : Jagannath Vidyalaya, Thaiyur

Summary: The students from class VI to VIII of Jagannath Vidyalaya, Thaiyur were given an awareness and hands on training on the importance of handwash. Although they are not small kids but they were not aware of the diseases that can also be caused like fever, cough, cold, infectious diseases caused by virus as well as bacteria etc. The video on the importance of hand was shown followed by a PowerPoint presentation on hand wash and its importance in different kind of diseases. The power point presentations of awareness on hand wash included this information which was suitable for the secondary school students to understand the diseases. The methods of hand wash was explained and taught in an easy and understanding way with pictures and description to the students. After the lecture s demonstration was also done by the participation of the students and CHRI doctors. At the end the pamphlets indicating the steps of handwash was distributed among the students of the school. The event was very interacting headed by Dr. S Priyadrashini, Head of the Department, Department of Microbiology, CHRI and her expert doctors' team, Dr. Koyeli Girigoswami, UBA, Coordinator, CARE and the swachh bharat interns.

Date: 12.06.2018

Event: Awareness for keeping one's house and locality clean for more positive energy and betterment of the nation. (positive citizens positive nation)

Venue: Thaiyur village

Summary: In our previous visit to the village it was found that many villagers were unaware of the fact that keeping the locality clean is also very important along with their house. In many homes in Eri Ethir Vaiyal (a village under Thaiyur panchayat) they are throwing the litters just outside their houses like the corners of the roads. The UBA Swachh Bharat interns went door to door to aware them about the importance of keeping the house as well as locality clean. The programme was headed by UBA coordinator Dr. Koyeli Girigoswami. The campaign was conducted to spread the awareness about the cleanliness management of one's house and also the locality. The interns were divided into four groups and started the day. We explained them that "if we take initiatives to keep our own locality clean,the nation will become clean". They also agreed with this and they said that they will follow the same.

Date: 13.06.2018

Event: Personal Hygiene knowledge sharing

Venue: Thaiyur village

Summary: Personal hygiene was an important topic to be taught to the semi educated villagers. Mostly the females were not very aware of their personal hygiene. Out Swachh Bharat interns visited door to door to spread the awareness on personal hygiene headed by UBA coordinator Dr. Koyeli Girigoswami. The interns were divided into four groups and went to almost all the homes and interacted with the people. They explained about various infections and diseases that spread due to unclean habits. They also requested them to pass on this information to their friends, relatives etc., and also they assured us that they will do so. Emphasis was given on providing better sanitation for girls. The interns explained them that better sanitation for females of all age is compulsory and a girl has to maintain better sanitation to take care of her baby and to maintain her baby's health too.

Event : Hand wash campaign and demonstration in school – Senior Secondary section

Venue : Jagannath Vidyalaya, Thaiyur

Summary: The senior secondary students from class IX to XII of Jagannath Vidyalaya, Thaiyur were given an awareness and hands on training on the importance of handwash. These students being grown up were aware of the facts that improper handwash may cause many diseases. The video on the importance of hand was shown by expert doctors from CHRI followed by a PowerPoint presentation on hand wash and its importance in different kind of diseases. The presentation also included the information on recent research being done at CHRI on the microorganisms present in hands of school children. A handwash demonstration was also done by the participation of the students and CHRI doctors. At the end the pamphlets indicating the steps of handwash was distributed among the students of the school. A gift of **10 liquid handwash** was given to the School Principal as a token of gift from CHRI. The event was very much interacting headed by Dr. S Priyadrashini, Head of the Department, Department of Microbiology, CHRI and her expert doctors' team, Dr. Koyeli Girigoswami, UBA, Coordinator, CARE and the swachh bharat interns.

Chettinad Health City,
Kelambakkam.

Dear Sir,

Namaste,

Thank you for taking the time to organize the camp on 'Health and Hygiene' on 8/6/18, 11/6/18 and 14/6/18 for classes I to XII. Our students were benefitted with the program and they had an eye opening session towards it. I sincerely appreciate the time you dedicated with your staff.

I thank Dr. Priyadarshini Shanmugam, Dr. Koyeli Girigoswarri, Mrs Alice Peace, Dr. Shifa Maharaj, S.H, Dr. Elayarani .A, Dr. Jaison. J and Dr. Suranya.A and team. The Pamphlets and ten hand sanitizers were donated towards the school and the students. It will be surely of great help towards the school students sanitation.

Again, thank you so much for your kind service rendered towards our school.

Best regards,

Mrs. NIDHI SHAJIL

Event: Impart knowledge on making of toilets

Venue: Thaiyur Village, Ward 2 (Eri Ethir Vaiyal)

Summary: The major issue in the village Eri Ethir Vaiyal was the toilet awareness. We came to know that there are no proper toilets in the village. Some houses already had toilets in their houses, but some had half constructed toilets. The swachh bharat interns informed them about the government schemes for making the toilets. Some villagers have obtained the government toilet building facility but the construction was incomplete. The campaign was headed by Dr. Koyeli Girigoswami, UBA coordinator, CARE.

Date: 21.06.2018

Event: Awareness on promoting basic education to the children and youth (for better growth of nation)

Venue: Thaiyur village (Eri Ethir Vaiyal)

Summary: The villagers were informed of the importance of basic education for the children. The village has a primary school from Tamilnadu Government. The small children go for their basic education to the school.

The swachh bharat interns talking to the mother of a small child about the need of primary education-21.06.2018

Date: 23.06.2018

Event: Discussing about the outcome of the internship programme

Venue: Thaiyur village

Summary: The swachh bharat interns made a meeting with the villagers and discussed about the outcome of the swachh bharat programme. They explained the activities that are to be adopted for the Unnat Bharat Abhiyan of Chettinad Academy of Research and Education is a participant Institute.

Date: 24.06.2018

Event: Problem solving approaches discussed with the villagers

Venue: Thaiyur village

Summary: The discussion with the villagers was discussed among the swachh bharat interns. The possible solutions to the problem can be done by a holding a Gram Sabha in future.

Date: 27.06.2018

Event: Reports preparation and future plan discussion

Venue: CHRI

Summary: The swachh bharat interns prepared the report of the activities that was conducted in the village for the past one month. Some of them also proposed some future plans that can be executed for the development of the village like completing the half constructed toilets, keeping big dust bins at the corner of the streets and making drainage system to remove the waste water.
