Online Workshop on Jal Shakti Abhiyan and Swachhata Action Plan

Date: 15.06.2020

Time: 10.00 a.m - 5.00 p.m.

Summary: An online workshop on Jal Shakti Abhiyan and Swachhata Action Plan was conducted online with two speakers presenting the importance of water saving and swachhata in campus as well as in adopted villages. Post lecture assignment was given to the participants that included the NSS volunteers. Dr KoyeliGirigoswami spoke about Swacchata and Dr.AgnishwarGirigoswami spoke about Jal Shakti Abhiyan. Mrs Nancy Victoria was involved in maintaining the students and helping the speakers to run the program smoothly. The total number of participants were 81.

The program objectives were as follows:

- To introduce the aspects of the Swachhta
- To enable Higher Educational Institutions to work with the people of rural and urban India in identifying development challenges and evolving appropriate solutions for accelerating sustainable sanitation and water management.
- To create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions
- To upgrade the capabilities of both the public and the private sectors in responding to the sanitation and water management needs of rural and urban India.
- To introduce and demonstrate various aspects of community engagement
- To conduct Field Engagement component of Swachhta Action Plan

The NSS volunteers also gave some proposals for water conservation and Swacchata Action plan. The screenshots of the event is given below:
