

Swachhata Pakhwada-2020

Development of Innovative Technologies for Waste Recycling Plastic Recycling Workshop

Date: 18.01.2020

Venue: CHRI, Kelambakkam

Summary: As per the circular received from UGC (D.O. No. 14-5/2016(CPP-II), Chettinad Academy of Research and Education actively celebrated the Swachhata Pakhwada at the University campus conducting various activities. On the theme of Development of Innovative Technologies for Waste Recycling, a "Plastic Recycling Workshop" was organized. The external delegates Mr. Ramesh Kannan and Mr Rakesh were the chief guests of the event who conducted the workshop. They also demonstrated the making of plastic bricks to the students and gave them hands on training. The workshop was arranged by Dr. Koyeli Girigoswami, NSS, PO, CARE and organized by Ms Mrinalini, Assistant Professor, Chettinad School of Law, Ms. Nancy, Faculty, Chettinad College of Nursing and NSS, PO. Prof. Dr. R Murugesan, Research Director, Chettinad Academy of Research and Education, felicitated the guests. The programme was very useful for the students, NSS Volunteers and UBA volunteers for utilizing the one time use throw away plastic bottles into useful bricks.
