Agenda 1: To discuss about annual report of outreach committee activities for the Academic year 2015 - 2016.

The Annual report of the activities of the Outreach Committee for the Academic Year 2015-2016 was presented. The statistics also showed coverage of population. Camp patients referred to RHC or CHC were well taken care of and also provided with breakfast. Increased financial implication due to distribution of free drugs was discussed and a method to resolve this was proposed to be discussed with the management.

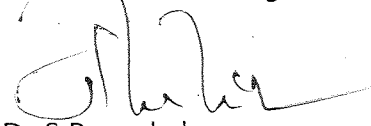

Agenda 2: To discuss about status of camps done in collaboration with Rotary & Lions Club.

Since camps through Lions club and Rotary club were far away from chettinad, it is advised to focus on camps within 30km and hence decided to organize camps in the nearby villages and schools. This will promote identified patients to come to CHC and utilize our health care facilities.

The action plan for the Academic year 2016-2017 presented by Dr. S.Loganathan was discussed and recommended to be forwarded for approval to the Administration and Management.
