

Special Drive on Water Conservation-Checking water wastage

Date: 28.01.2020

Venue: CHRI food court, Rest rooms and Laboratories

Time: 11 a.m. onwards

Summary: As a part of Swachhata Pakhwada 2020, the NSS volunteers of Chettinad College of Nursing visited the food court hand wash area, rest rooms and the laboratories of Chettinad hospital for monitoring the water outlets/taps for any leakage of water. They ensured that the water taps, flushes in lavatory were working properly and there was no leakage of water. This drive could contribute to save water, rather in a larger extent, a big step for saving our planet. The programme was conducted by Mr. Solaiyappan S, AGM Admin, Mr. D Jayaraj and Faculty, Chettinad College of Nursing.
