Minutes of the meeting:

The Dean, Dr. B. SanthaKumar, Chettinad Hospital and Research Institute, convener invited the members of the committee and presented the minutes of previous meeting.

Discussion was made to evaluate the progress of COVID-19 measures taken in the institution. To check the adequacy of Personal Protective Equipment's provided for medical professionals and staffs. Also to review the screening process of patients at the hospital block and

increase the frequency of disinfecting the OPDs and wards regularly.

To add a note, members of the committee requested to consider manual attendance over biometry as a precautionary measure during this pandemic period and to provide rotational duties and self-quarantine for the period of one week to doctors who treat COVID-19 patients.

The above discussed was forwarded via mails to the Vice Chancellor and Registrar. The convenor thanked and concluded the meeting.
