

Free Health Camp for villagers-Pudupakkam

Date: 04.05.2019

Venue: Anjeneyar Kovil, Pudupakkam

Theme: Health

Summary: In the adopted village of UBA, Pudupakkam, a free health camp was conducted with the participation of eminent doctors from CHRI. The visitors were given free consultation, free height, weight, blood pressure, blood sugar measurement. Free medicines were also distributed to the patients who needed them. A huge response was obtained from the villagers and visitors of that place.
