To discuss about the request made by the non-teaching staff with regard to usage of staff rest room (a copy of the petition enclosed)

The request of the non-teaching staff with regard to usage of staff rest room being used by the general public in an untidy condition was taken up for discussion with the committee members.

After the deliberations, it was resolved to take up the matter with BMS Head requesting him to provide Reader Access Control to all staff rest rooms so that we can restrict the usage of rest rooms by general public.

With this, the meeting came to an end.
