## ABOUT CHETTINAD

The Chettinad Group with a legacy of over 60 years in education, have been pioneers in providing progressive learning environment across Tamil Nadu. The Chettinad Group is currently having around 12,000 students in 22 private, government-aided schools and colleges for Medicine, Allied Health Sciences, Nursing, Dentistry, Engineering, Law, Architecture, Physiotherapy and Pharmaceutical Science.

## ABOUT CARE

Chettinad Academy of Research and Education (CARE), was founded and was conferred the status of Deemed to be University in the year 2008. CARE has been accredited with grade A by NAAC, approved 12(B) status of UGC and accorded SIRO status by DSIR. In conformity with the vision of the University, the academic programs offered are professional, job oriented and innovative. CARE offers 60 + academic programs in faculty of Medicine, Allied Health Sciences (AHS), Nursing, Pharmaceutical Sciences, Physiotherapy, Law, and Architecture. Program range includes 17 undergraduate, 48 post graduate, 1 postgraduate diploma, 7 super speciality courses and Doctor of Philosophy. Most of these courses are interdisciplinary and as per emerging needs. Choice Based Credit System pattern is followed in many programs and is integrated with research projects that engage students in a deep dive through research.

CARE has 2500+ students pursuing their UG, PG and PhD programmes in an academic year. Deserving students are offered upto 100% scholarship. The intellectual capital of CARE comprises of qualified, accomplished and committed 400+ teachers and a well-stocked Library having books, 6000+ e-journals and data base that form the back bone of the CARE, 1100+ publications, 35+ patents and 50+ MoUs signed.

## VISION

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future

# ABOUT FACULTY OF ALLIED HEALTH SCIENCES

Faculty of Allied Health Sciences (FAHS) is a constituent unit of Chettinad Hospital and Research Institute, CARE, with state-of-the-art facilities for effective Teaching, Learning, Research & Development and greatly contributes to extension activities. The faculty members are highly trained with international exposure, which makes FAHS an ideal setup for research-based learning and education. The programs are well designed to enable the students to achieve academic and professional goals. FAHS joins hands with leading Healthcare institutions, Biotech and Pharma industries to create skilled workforce in order to fulfill the requirement of the industry and society.

## WHY FAHS?

- Hands on training to the students at UG level
- Interdisciplinary and innovative nature of the academic programs
- Opportunities for horizontal mobility and placement potential
- Outstanding interaction and collaboration with other faculties
- Undertaking research projects even at the UG level as a part of curriculum
- Well trained faculty members with Ph.D. and most of them trained abroad
- Excellent ecosystem for R&D and innovation
- Merit based scholarship upto 100% in tuition fee at UG & PG degree programmes

# PROGRAMMES OFFERED

FAHS offers B.Sc. & M.Sc. programs (Semester pattern, CBCS) that are truly innovative and address the emerging areas in biomedical sciences. These multidisciplinary Programs are garnished by the diverse faculty members and state-of-art facilities, to generate highly skilled experts required for healthcare sector.

## Undergraduate Level

### B. Sc. Allied Health Science Programs (3 course work + 1 year hands-on training)

Specialties:	
Anesthesia Technology	Cath Lab Technology
Cardiac Technology	Blood Banking Technology
Medical Laboratory Technology	Dermato-cosmetology
Radiology and Imaging Science Technology	Emergency and Trauma Care Technology
Renal Dialysis Technology	Respiratory Care Technology
Perfusion Technology	Neuroscience technology

### B.Sc. Innovative & Interdisciplinary Programs (3 year)

- B.Sc. Medical Genetics
- B.Sc. Medical Biotechnology
- B.Sc. Medical Bionanotechnology
- B.Sc. Counseling Psychology

## Postgraduate Level

### M. Sc. 5Yr integrated programs in Allied Health Science

- M.Sc. Radiology & Imaging Science Technology
- M.Sc. Cardiac Technology
- M.Sc. Respiratory Care Technology
- M.Sc. Renal Dialysis Technology
- M.Sc. Medical Laboratory Technology
- M.Sc. Perfusion Technology

### M.Sc. AHS (2 year) Programs

- Radiology and Imaging Science Technology
- Echocardiography and Cardiovascular Imaging

### M.Sc. Innovative & Interdisciplinary programs (2 year)

- Medical Genetics & Molecular Genetics
- Medical Biotechnology
- Clinical Research & Experimental Medicine
- Medical Bionanotechnology
- Tissue Engineering and Regenerative Medicine
- Marine Pharmacology
- Occupational Health & Industrial Safety
- Counselling Psychology
- Human Nutrition
- Health & Yoga

\* Eligibility criteria are available at our website

# APPLICATION PROCEDURE

- All applicants are advised to go through the prospectus thoroughly before filling up the application form
- Candidates can apply by downloading the respective application form of the programs available in the website and filling up all the required details
- The application form must be filled up by the candidate in his/her own handwriting and signatures must be placed in the appropriate fields
- The filled in application must be submitted along with the requisite fees and self-attested photocopies of required documents / testimonials
- Incomplete forms will be summarily rejected

# COUNSELLING SCHEDULE & SELECTION

The candidates will be called for counselling in the order of merit based on the marks secured in the qualifying examination. The prescribed fee and the following original documents (where applicable) with one set of photocopies shall be produced at the time of counselling for admission.

- Mark sheet of individual semester / consolidated / SSLC / HSC / Plus two or its equivalent
- Course completion certificate
- Provisional / Degree certificate
- Internship / Training certificate
- Conduct certificate from the institution last studied
- Transfer certificate from the institution last studied
- Proof of date of birth
- Community certificate
- Migration certificate (Other Universities/CBSC/ ICSE/Other Board/State /Open Schooling)
- Certificate of extracurricular activities
- Passport size photograph
- Address proof (Adhaar, Passport, etc.,) - any one

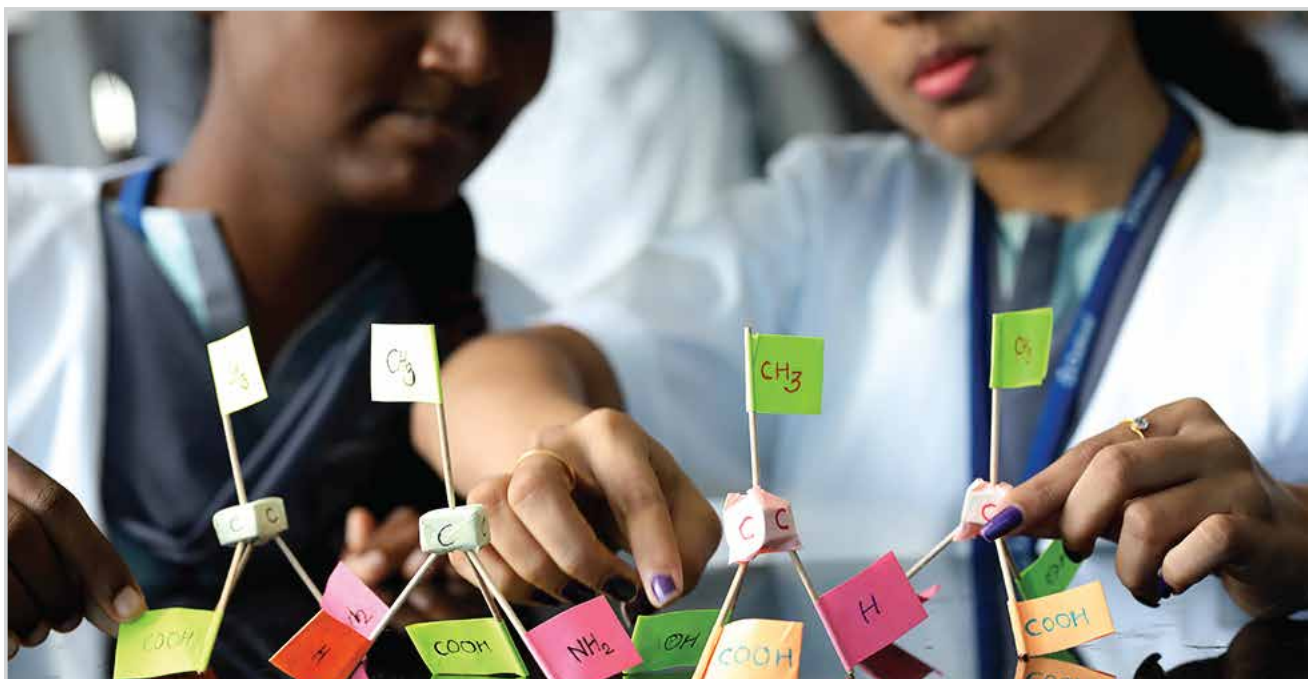

# LIFE AT FACULTY OF ALLIED HEALTH SCIENCES

## Academic facilities

- Well stocked Library with latest editions
- State-of-the-art Lecture Halls
- Digital Library & Resource Center
- Advanced Learning Management System

## Research facilities

- Students are trained to contribute to the diagnostic, therapeutic and preventive health care services.
- State-of-the-art lab facilities for biomedical research
- Studies on mechanistic pathways of disease proliferation and remedial solutions
- Development of diagnostic devices and gadgets
- Development of targeted drug delivery agent

# OPPORTUNITY

- Physician Assistant
- Application specialist
- Technologist
- Faculty member / Clinical Instructor
- Scientist
- Research & Development
- Medical coding
- Clinical trials
- Psychologists
- Counselors
- Research Assistants
- Nutritionist

# INDUSTRIAL & ACADEMIC COLLABORATIONS

## HOSTEL LIFE

Comfortable and secured well furnished hostel accommodation individually for boys and girls.

- Air-conditioned rooms
- TV & Wi-Fi
- Laundry service
- Saloon & spa
- Gym
- Indoor & outdoor sports

## Self contained campus

- Serene Eco Friendly campus
- Wi-Fi enabled campus for better connectivity
- Safe and Secure campus with more than 600 CCTV
- Round the clock Security personnel
- Turnstile and Access Control for better surveillance
- Well connected Transport facility
- Multi-cuisine Food Court
- Full-fledged Bank & ATMs operational in campus
- Pollution free battery driven cars and bicycles with park & ride facility for in-campus transportation
- Acoustic Modeled Auditorium
- Well-stocked Utility Center
- Excellent Indoor and Outdoor Sports facility

# ANTI-RAGGING NOTICE

## Ragging in any form is prohibited

As per the directions of the Hon'ble Supreme Court of India, the University Grants Commission has framed Regulations on Curbing the Menace of Ragging in Higher Education Institutions, 2009, and notified in the Govt. of India Gazette in order to prohibit, prevent and eliminate the scourge of ragging. These regulations are mandatory and provisions, therefore, punish those who indulge in ragging with reference to the appropriate law in force.
