Sir,

Sub: Students Grievance Redressal Cell – Submission of Consolidated Report
for the year 2016 (Jan 2016-Dec 2016) – Reg

I hereby submit the consolidated report of the issues dealt by the Students
Grievance Redressal Cell during the year 2016 (Jan 2016-Dec 2016).

1. The hostel students represented that the quality of menu can be improved and have also asked for the change in some of the menu items in the hostel mess. Meeting with the caterer SKPL was organized and the quality of the food was improved and also the caterer has changed some of the menu items in the hostel mess.
2. The complementary bicycle support provided by the administration was withdrawn as the students were spoiling and breaking the bicycles. Since the students have reassured that they would handle it properly and requested to provide the bicycle again, the issue was consulted with the concerned department. The administrative department accepted the request from the students and provided the bicycles again.

Thanking you
