I. About Chettinad

The Chettinad Group with a legacy of over 60 years in education, have been pioneers in providing progressive learning environment across Tamil Nadu. The Chettinad Group is currently responsible for over 12000 students in 22 private, government-aided schools and colleges for Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences and Pharmaceutical Sciences.

II. About Chettinad Hospital and Research Institute (CHRI)

Chettinad Hospital and Research Institute is a constituent college of Chettinad Academy of Research and Education and caters to the health needs of the surrounding villages both in diagnostics, preventive and curative services. CHRI is situated in a sprawling campus away from the hustle and bustle of the city in sylvan surroundings. CHRI offers a conducive environment for learning. Student centered state-of-the-art facilities, sophisticated infrastructure, libraries with the latest medical journals, and futuristic learning methodology systems benefit the learning process of the students.

Teaching programmes offered by Chettinad Hospital and Research Institute are guided by the respective statutory councils and the methodology of teaching is reviewed periodically by the Board of Studies / Academic Council and are updated to keep abreast with the latest advancements.

State-of-the-art equipments and cutting edge technology are being provided for the treatment of patients visiting the teaching hospital. An eco-friendly campus along with optimal use of information technology is ideally suited for academic pursuits and greatly augments teaching learning activities.

Regular continuing education programmes and faculty development programs contribute immensely to update the knowledge and improve the teaching skills.

III. Salient Features of PG Courses

- All PG course seats are permitted / recognized by the Ministry of Health & Family Welfare and Medical Council of India / National Medical Commission, New Delhi.
- State-of the-art infrastructure consisting of 1180 bedded Hospital, 13 OPD 45 Wards for male & female / 16 OT / 7 ICU as per statutory requirements.
- Well stocked departmental Library with latest editions of books and journals.
- Wide range of digital database.
- Inter library loan facility.
- Qualified, experienced and reputed faculty members.
- Bedside clinical teaching.
- Good success rate in various complicated surgical cases.
- Exposure to advanced technologies including Robotic procedures.
- Compulsory Journal Club / Seminar / Case presentation / Internal assessment.
- Opportunity to organize / participate in state, national & international level conferences and workshops.
- Research methodology classes and exposure to active collaborative research.
- Stint in Community Outreach Hospitals and programs.
- Exposure to Corporate hospitals and advanced technologies through Academic MoU's.
- Exposure to training at Govt. Hospital/College for rare cases, fields and procedures.
- World class residential and recreational facilities.
- Immediate placement in various government and private institutes & leading multispecialty hospitals across the globe.
- Fellowship programs in various clinical departments.
- Opportunities to be a part of outsourced expert consultation services.

IV. Value Added Training

Sl. No	Department from CHRI	Special training	Purpose
1	General Surgery	Chennai Urology and Robotics Institute (CURI)	Urology - Robotics and Laparoscopic Surgery
		GEM Hospital	Gastroenterology - Robotic Surgery and Laparoscopic Surgery
		Canray Health - Endoscopy Centre	Advanced Technologies used in Endoscopy
2	ENT	Madras ENT Research Foundation (P) Ltd. (MERF)	Training in Cochlear implantation, laser and head and neck surgeries.
		KKR ENT Hospital & Research Institute	Adequate exposure and training in extended FESS, Skull Base, Head and Neck Surgeries.
3	Ophthalmology	Sankara Eye Hospital, Pammal	Clinical exposure in subspecialties of Vitreo-retina and Oculoplasty.
4	OBG	Adyar Cancer Institute	Radiotherapy and Treating Gynec Oncology
5	Paediatrics	Institute of Child Health and Hospital for Children	Paediatrics Cardiology
			Paediatrics Respiratory / Pulmonology
			Paediatrics Gastroenterology
			Paediatrics Neurology
			Paediatrics Nephrology

Anytime after last cut-off date	Fee payable for the entire duration of the course.

The amount of fee to be deducted in case candidate resigns after counselling period / cutoff date:

Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, either on or after the cut-off date prescribed by the statutory and/or University authorities for admission to the first year of the course or where the seat is rendered vacant without having any chance of being filled up with any other candidate such students will have to remit the tuition fee and other applicable fees for the 'entire/ remaining course period'.

XII. General Information:

Admissions are subject to fulfillment of all the eligibility conditions prescribed by the University and statutory authorities (National Medical Commission / Medical Council of India). If it is found at a later stage, that the candidates have submitted false information / forged certificates, his/her admission will be cancelled without any notice and the same shall be final and binding.

Appearance in NEET-PG 2021 does not confer any automatic rights to secure a M.D./M.S. admission. The selection and admission to M.D./M.S. seats in this university is subject to fulfilling the eligibility, medical fitness and such other criteria as may be prescribed by the Directorate General of Health Services, National Medical Commission, New Delhi and this university.

Candidates with provisional allotment letter are advised to submit all the necessary original documents, pay the tuition and join as early as possible and not to wait for last day of joining, considering the time required to complete admission formalities.

If a candidate fails to report on the date and time specified by MCC of DGHS in the allotment order along with the original Certificates/Documents and/or fails to pay the tuition fee by Demand Draft/Electronic Fund Transfer through RTGS with UTR No. (For NRI Students Wire Transfer) on the day of admission, he/she will not be permitted to proceed with the admission process.

Candidates who have deposited their original documents with any other Institute/ College/University and come for admission with a certificate stating that "their original certificates are deposited with the Institute / College / University" will not be allowed to take admission as directed by DGHS, New Delhi. Without original documents and payment of tuition fee candidate will be considered as "Not reported"

Admitted students are bound by the Rules and Regulations of this University framed from time to time in the matter of syllabus, examinations, fee structure, discipline and policy for refund of fee etc.

The University reserves the right to change any of the conditions enumerated periodically or for the purpose of complying with any of the regulations of the statutory councils.

Tuition fee and other dues payable in the subsequent academic years shall be paid by the students within the due date fixed by the Institution failing which the name of the defaulting students shall be removed from the rolls of the college after the expiry of due date.

Students himself / herself must be present at the time of reporting. No proxy will be allowed in any circumstances.

Note:

It is a general advisory to all students admitted in MD and MS course at Chettinad Hospital and Research institute that they do not avail any long period of leave during the course of study and try to complete the course within the stipulated period of three years. If contingency arises to break the study due to illness, maternity Leave by women students during the period of study, the study period shall be extended to the extent of leave availed. Their re-admission to the course after the break of study will be subject to condonation order issued by the University with application and remittance of the prescribed fee through the Dean CHRI. Candidates to note that any break of study beyond twice the duration of the course is considered as discontinuance of the course.

According to Clause 13.2 of the MCI Regulations, “All the candidates joining the Post Graduate training programme shall work as ‘Full Time Residents’ during the period of training and shall attend not less than 80% (Eighty per cent) of the imparted training during each academic year including assignments, assessed full-time responsibilities and participation in all facets of the educational process.”

All disputes arising in the interpretation and implementation of the provisions in this information bulletin will be referred to the Vice Chancellor, Chettinad Academy of Research and Education and the decision of the Vice Chancellor shall be final and binding.

In respect of matters relating to or arising out of this information bulletin, the jurisdiction shall be at Chennai alone.

Tamil Nadu Medical Council directives (as per letter dated 19.12.2019):

Candidates from other states who are pursuing post graduate courses in Tamilnadu and Pondicherry have to register themselves in the Tamil Nadu Medical Council within 3 months of admission.

Penalty clause: To impose a penalty that Rs.5,000/- (Rupees Five thousand only) would be levied as fine to the candidates of other states who studying PG courses in Tamilnadu and Pondicherry if not registered within the prescribed time (3 months).

The penalty for such candidates for registering at the end of the course would be Rs.10,000/- (Rupees Ten thousand only).

XIII. Ragging in any form is prohibited in the University Campus:

The University follows a Zero Tolerance Policy towards Ragging. Ragging in any form is a crime and a punishable offence. As per the directions of the Hon’ble Supreme Court of India, University Grants Commission has framed “Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” and the National Medical Commission / Medical Council of India has framed “(Prevention and Prohibition of Ragging in Medical Colleges/Institutions) Regulations, 2009” and notified in the Govt. of India Gazette in order to prohibit, prevent and eliminate the scourge of ragging. These regulations are mandatory and provides for punishment of those who abet and indulge in ragging, directly or indirectly.

Registration with National Medical Commission / Medical Council of India / State Medical Council is mandatory with documentary proof. NRI quota shall include OCI and PIO.

OCI Candidates will be eligible for UR/General Category seats only for the academic year 2021-22 as an interim measure passed vide Order dated 08/11/2021 in W.P. (C) No. 1397 of 2020 before the Hon'ble Supreme Court of India wherein Ministry of Home Affairs Gazette Notification No. S.O.1050(E) dated 04th March, 2021 was under challenge.

Candidates who fall under the category NRI as per the direction / orders of the Hon'ble Supreme Court of India in the case (W.P. (C) No.689/2017- Consortium of Deemed Universities in Karnataka (CODEUNIK) & Anr. Vs. Union Of India & Ors.) dated 22.08.2017 are eligible for NRI category.

List of documents to be produced by NRI category students in addition to documents shown in the checklist:

- Documents claiming that the sponsorer is an NRI (Passport, Visa of the sponsorer).
- Relationship of NRI with the candidate as per the court orders of The Hon'ble Supreme Court of India in case W.P.(c) No. 689/2017- Consortium of Deemed Universities in Karnataka (CODEUNIK) & Ans. Vs Union of India & Ors. Dated 22-08-2017.
 - i. Real Brother and Sister of Father i.e. real Uncle and real Aunt
 - ii. Real Brother and Sister of Mother i.e. real Maternal Uncle and real Maternal Aunt
 - iii. Father and Mother of Father i.e. Grand Father and Grand Mother
 - iv. Father and Mother of Mother i.e. Maternal Grand Father and Maternal Grand Mother
 - v. First degree – Paternal and Maternal Cousins

Such persons should be NRI

- Affidavit from the sponsorer that he/ she will sponsor the entire course fee of the candidate duly notarized.
- Embassy Certificate of the Sponsorer (Certificate from the Consulate).
- NEET Score Card of the candidate.

XVI. Department of Chettinad Hospital and Research Institute

Anesthesiology

- State of the art operation theatres.
- Hands on training on all anesthetic procedures
- ICU care and management
- Expertise in emergency services

Dermatology, Venerology and Leprosy

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Completed 6 batches of PG with 100% pass percentage
- Two week Leprosy classes mingled with CLTRI
- Facilities and training for Cosmetological procedures - Hair Transplant, Chemical Peeling, Cryotherapy & Laser etc.,

General Medicine

- Equipped with 240 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Critical care unit & zero delay wards for extensive training
- Specialty clinics : Diabetics, hypertension, rheumatology, endocrinology, Super specialty departments : Neurology, Nephrology, Cardiology, Radiology

General Surgery

- Equipped with 240 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Senior professors each with surgical experience of 30 years and PG teaching experience of 25 years and above.
- Exposure to all major open elective and emergency procedures
- Laparoscopic procedures are done routinely with good results.

Obstetrics and Gynecology

- Equipped with 150 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Firsthand experience in managing both normal and complicated high risk pregnancies, ectopic pregnancy and other medical disorders affecting pregnancy.
- In gynaecology - hands on training in managing patients with common conditions like fibroids, abnormal bleeding, infertility and infections.
- Exposure to gynaec-oncologic surgeries such as staging laparotomy, radical hysterectomy and laparoscopy.
- Dr. Muthulakshmi Reddy Maternity Benefit Scheme for conducting free delivery to pregnant mothers.

Ophthalmology

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities
- Sub specialties offered for PG in ophthalmology
 - Cornea
 - Retina
 - Neuro ophthalmology
 - Oculoplasty
 - Glaucoma
 - Comprehensive ophthalmology
- State-of-the-art operation theatre exclusively for ophthalmology with high end microscopes, phaco, biomes for performing surgeries under local and general anesthesia.
- OPD equipped with lasers and high end diagnostic tools to facilitate latest training and clinical exposure to learn, practice and perform.
- Camps through DBCS for post graduates to train them in community ophthalmology.
- Fellowship programs with reputed of Ophthalmology Institutions.

Orthopedics

- Equipped with 150 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Critical care unit & zero delay ward for extensive training
- Specialty clinics
- Exposure to all major open elective and emergency procedures
- Thesis guidance by specific mentor guided by HOD

Otorhinolaryngology

- Equipped with 40 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Department infrastructure includes Karl storz High definition endoscopy unit separate for operation theater and outpatient departments, Carl Zeiss operating microscope/ Medtronic micro debrider system, temporal bone dissection table with microscope, serwell OPD otomicroscope, fully equipped audiology and speech therapy clinic.
- With surgical specialists we diagnose, evaluate and manage a wide range of diseases of the head and neck, including the ear, nose and throat regions
- Focusses mainly on Special neonatal hearing screening programs

Paediatrics

- Equipped with 120 beds which includes general wards, emergency, NICU and PICU with sophisticated investigations and imaging facilities.
- Eminent professors and well trained faculty in general paediatrics, Neonatology and Paediatric critical care.
- Our PICU is a level -III 15 bedded facility with state of the art full fledged multi modal monitoring including ECHO, EEG, ICP monitoring, mechanical ventilation (invasive and non invasive), CRRT and bronchoscope facilities.
- Our NICU is a level 3 facility and has all state of the art facilities which includes Neonatal Invasive & Non-Invasive Ventilation, High frequency ventilation, Nitric Oxide therapy, Care of Extremely Low Birth Weight Infants, Post general & cardiac surgical care of newborns, Therapeutic hypothermia, point of care ultrasound, neonatal transport, follow up of NICU Growth and Developmental Support Programs & community based neonatal care.

Psychiatry

- Equipped with 30 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Experienced psychiatrists trained from various Centres of excellence like NIM HANS, Bengaluru, IMH, Chennai and KGMC, Lucknow.
- Encourages and guides postgraduates in collaborative research and publications.
- Collaboration with Institute of Child Health and Institute of Mental Health, Chennai

Radio-Diagnosis

- Sub specialities in Radiology namely non vascular radiological interventions, male infertility imaging, female imaging, transplant imaging are being offered for patients as well as for training post graduate and undergraduate students.
- The department is equipped with all state of art equipments like 1.5T GE MRI, 128 slice PHILIPS CT scanner, ultrasound machines equipped with elastography and Doppler.
- Faculty trained from Christian Medical College, Vellore, Madras Medical College, SRMC, Chennai and at centres with advanced imaging techniques. Some of the faculty members are certified by International Radiology Boards like European board and Royal College of Radiology.
- Our team also constitutes expert faculty Dr. N.R. Jagannathan from AIIMS
- Teaching sessions for post graduates are conducted on daily basis and students are assessed on periodic intervals
- Multiple research articles are being published regularly and all post graduates, faculty members have ongoing research projects
- Renowned international conferences are attended actively with paper presentations by our faculties to update the department with the upcoming trends in Radiology.
- Offers outsourced expert opinion and consultation services.

Respiratory Medicine

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Sincere and committed Faculty with a combination of well experienced senior faculty and energetic and enthusiastic junior faculty.
- Well structured P.G academic training programs and Hands on training in advanced technologies including videobronchoscopy, sleep lab, advanced pulmonary function testing with advanced critical care management and R.I.C.U
- Facilities for advanced research like molecular and genomic research laboratories.
- All PGs have got placements in well renowned institutions and Hospitals.
- Postgraduates are posted to centers of excellence both in private and government to update knowledge and skills.

Sports Medicine

- Equipped with 30 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- The department is established in the year 2015 with out-patient and in-patient care.
- It comprises of state-of-the-art sports science lab, exercise physiology lab, kinanthropometry lab, biomechanics and gait lab.
- Specialty clinics: sports injury clinic, arthroscopic clinic and obesity clinic.
- Has a well built indoor stadium, football ground, Athletic turf track as per international standards.
- The department caters medical emergencies and the needs of NSG & TNPA

Anatomy

- Well equipped PG research lab to carry out histological, histochemical, immuno histochemical, anthropometric studies.
- Spacious dissection hall which is well stocked with teaching and learning materials.
- The department library is stocked with latest editions of national and international books and journals.
- A total of 57 research papers have been published in the reputed journals from the department since 2010.
- 153 papers have been presented by the undergraduate and post graduate students since its inception.
- 72 best paper awards won by the students in oral, poster presentations and best dissertation awards by undergraduates.
- The departmental museum is equipped with 500 specimens exhibited under various categories including cross sectional anatomy.

Biochemistry

- Clinical Biochemistry lab is NABL accredited laboratory since 2006 with fully equipped state of art automated facilities for routine chemistry, hormones, vitamins and tumor markers assay.
- Students will be trained in Quality control requirements as per ISO 15189:2012
- Special care taken to train students in carrying out instrumentation, clinical lab investigations and interpretation of laboratory data.
- Students undertake individual projects under the guidance of faculty which is presented at various national and regional conferences.

- The department supports students aspiring in bringing extramural research funds from Indian Council of Medical Research to get research experience.
- Well equipped post graduate lab to carry out research in molecular field
- The department also conducts hands on training programme to help students from other Institutions for research training.
- Departmental research projects are going on with ICMR funding with abundant clinical material available in the institute
- Department has organized various CME and Guest lectures by professors from various reputed institutions through out Tamilnadu
- Periodical out reach activities were conducted by the department on nutritional awareness in primary schools involving the post graduate students under the supervision of well trained faculties.

Community Medicine

- The department of Community Medicine at CHRI has over 100 publications and over 25 on-going research projects by Faculty and Postgraduates to its credit.
- Basic Research Methodology Workshops are conducted every year for 1st year postgraduates from all specialties to help in formulation and conduction of their thesis as well as other research projects.
- Family visits / surveys are regularly conducted in Rural & Urban Center areas. Vulnerable groups are identified and given necessary health education and medical support.
- Regular community health status monitoring - Outbreak identification, investigation and reporting.
- Free medical camps are conducted at various villages in the college field practice areas.
- Training activities outside the institute include: Infectious Disease Hospital-Tondaipet, Central Leprosy Training And Research Institute-Chengalpettu, TB Sanatorium -Tambaram, Industrial Visits-For Occupation Health Training, JIPMER-Research Methodology Training, visits to Water Treatment Plant, Sewage Treatment Plant, And Milk Processing Units.
- Urban and rural health centers functioning 24x7 with various broad specialities serving around 1,20,000 and 40,000 population respectively.

Microbiology

- Adequate clinical material for training.
- Well-equipped 24-hour diagnostic clinical laboratory with NABL Accreditation for Microbiology & Serology.
- Commencement of MD Microbiology course in 2011 and successful seat enhancement in 2013.
- Opportunities for interdisciplinary research including molecular microbiology, backed by the central research facility with the state of the art equipment.
- Encouragement for participation in conferences, workshops both in-house or in other institutes and thereby providing the opportunity to update their knowledge and to present and publish research papers.
- Well stocked department library with recent editions of the text books, reference books, e-books and journals

Pharmacology

- The Department of Pharmacology is equipped with highly efficient teachers, good infrastructure and facilities to teach medical, dental, nursing and paramedical courses and encourage research by students and faculty.
- Offers courses catering to different medical (MBBS, BDS, Nursing) and paramedical UG programs (B.Sc AHS)
- Conducts PG programs – PhD in Pharmacology, MD Pharmacology and M.Sc in Clinical Research and Experimental Medicine since 2008 taking into consideration the demand for qualified personnel in this field.
- The department has a well equipped animal house recognized by CPCSEA and an experienced veterinary medical officer who facilitates research projects using animals for all faculty and students
- The students have access to use HPLC, LCMS and other analytical instruments
- Those who completed MD Pharmacology are successfully placed in teaching medical institutions and industries. Two of the MD graduates are entrepreneurs having their own Clinical Research Organization.
- All the students who completed M.Sc CR & EM are employed in CROs, hospitals and other organizations.
- Five faculty have completed Ph.D from the department from 2009 to 2018.

- The students and faculty have completed more than 100 research projects and published more than 60 research papers after the inception of the department in 2006.
- Developed a documentary for taking informed consent from the potential research participants to train the post graduates.

Physiology

- Post Graduate Programs in Physiology whose quality adheres to the highest standards while conforming to the latest curriculum as prescribed by the concerned Regulatory Authority.
- A Research Lab equipped with advanced sophisticated instruments for the measurement of various physiological parameters, in order to facilitate short-term research projects and studies by faculty, MD postgraduates, research scholars and undergraduate students
- Department Library provides extensive literature in the form of Textbooks, Current journals and Review articles with online access to central library resources as required.
- Highly qualified and well-proficient faculty members with expertise in medical education as well as latest concepts in teaching skills.
- Centre for Yoga, established for research in the yogic sciences and for dissemination of the benefits of yoga with conduct of classes being part of the weekly schedule.
- Innovative pedagogical techniques including Problem based Learning, Case based learning as part of Basic Sciences correlation of Early Clinical Exposure, Correct the Doctor Sessions and Flipped classrooms.
- Adequate laboratory facilities for the undergraduate students to be well trained in the know – how of Haematology and Clinical Physiology.
- Both Formative and Summative Assessments in line with the present Competency Based Medical Curriculum, focussing on an integrated holistic understanding of Physiology.
- Online and classroom based electives that encourage the aptitude for Self Directed Learning by the students.
- Extensive utilization of the Learning Management System that has helped to substantially diminish rote-learning while simultaneously ensuring that more time is provided for the hands-on training of students in practical methodologies.

XVII. Infrastructure

Self contained campus

- Serene Eco Friendly campus
- Wi-Fi enabled campus for better connectivity
- Safe and Secure campus with more than 600 CCTV
- Round the clock Security personnel
- Turnstile and Access Control for better surveillance
- Well connected Transport facility
- Multi-cuisine Food Court
- Full-fledged Bank & ATMs operational in campus
- Pollution free battery driven cars and bicycles with park & ride facility for in-campus transportation
- Acoustic Modeled Auditorium
- Well-stocked Utility Center
- Excellent Indoor and Outdoor Sports facility

Hostel life

Comfortable and secured well furnished hostel accommodation individually for boys and girls.

- Air-conditioned rooms
- TV & Wi-Fi
- Laundry service
- Saloon & spa
- Gym
- Indoor & outdoor sports

ANNEXURE - 1

List of Disability Certification Centres who will issue Disability Certificates as per NMC norms to PwD candidates in support of their claim to avail 5% PwD reservation in UG/ Broad Speciality PG Courses

S/No.	Name of Disability Certification Centre	City/State	Specialities Available for which Disability Certificate can be issued as per category of Disabilities mentioned in Disability Certificate
1.	Vardhman Mahavir Medical College & Safdarjang Hospital (VMMC & SJH)	New Delhi	All Disabilities as mentioned in Disability Certificate except Visual disabilities category and Intellectual Disabilities & Behavioural disabilities.
2.	All India Institute of Physical Medicine and Rehabilitation (AIIPMR)	Mumbai	For Locomotor Disability only
3.	Institute of Post Graduate Medical Education & Research (IPGMER)	Kolkata	All Disabilities as mentioned in Disability Certificate
4.	Madras Medical College (MMC)	Chennai	All Disabilities as mentioned in Disability Certificate
5.	Grant Government Medical College, J.J. Hospital Compound	Mumbai, Maharashtra	All Disabilities as mentioned in Disability Certificate
6.	Goa Medical College	Goa	All Disabilities as mentioned in Disability Certificate except Speech Disability.
7.	Government Medical College, Thiruvananthapuram	Thiruvananthapuram, Kerala	All Disabilities as mentioned in Disability Certificate. Ophthalmology Tests to be conducted at Regional Institute of Ophthalmology, Thiruvananthapuram under GMC Thiruvananthapuram
8.	SMS Medical College	Jaipur, Rajasthan	All Disabilities as mentioned in Disability Certificate except: 1. Neurology- Genetic Testing 2. ENT- Speech & Language Disability Testing Orthopaedics/ PMR- Gonitometer Adult. Plumb Line, Hand Dynamometer, Laser
9.	Govt. Medical College and Hospital, Sector32	Chandigarh	All Disabilities as mentioned in Disability Certificate

10.	Govt. Medical College, Agartala, State Disability Board	Agartala/Tripura	Information Still Awaited
11.	Institute of Medical Sciences, Banaras Hindu University,	Varanasi/ Uttar Pradesh	All Disabilities as mentioned in Disability Certificate except Intellectual Disability.
12.	Ali Yavar Jung National Institute of Speech and Hearing Disabilities, Bandra, Mumbai	Mumbai, Maharashtra	For Hearing Disabilities only
13.	AIIMS, Nagpur	Nagpur, Maharashtra	All Disabilities as mentioned in Disability Certificate
14.	Atal Bihari Vajpayee Institute of Medical Sciences & RML Hospital, New Delhi. (ABVIMS & RMLH)	New Delhi	All Disabilities as mentioned in Disability Certificate except ENT For Visual Disability: Candidates who use LVAs may bring their own LVAs which can be checked.
15.	Lady Hardinge Medical College & Associated Hospitals (LHMC)	New Delhi	All Disabilities as mentioned in Disability Certificate

CERTIFICATE OF DISABILITY

ANNEXURE 2

(As per MCI Gazette Notification No. MCI-18(1)/2018-Med./187262 dated 5th Feb, 2019/ 14th May, 2019 for admission to Medical Courses in All India Quota)

Certificate No. _____ Dated _____

Name of the Designated Disability Centre (as per ANNEXURE):

This to certify that Dr. / Mr. / Ms. _____

Aged _____ Years Son/ Daughter of Mr. _____

R/o _____

**Recent Passport
Size Photograph
of the candidate
duly attested by
the issuing
authority**

NEET Roll No. _____, Rank No. _____, has the following

Disability (Name of the Specified Disability) _____ (in percentage)

of _____ (in words) _____ (in Figures).

- **Please tick on the “Specified Disability”**

(Assessment may be done on the basis of Gazette of India, Extraordinary, Part-II, Section 3 Sub-section(ii), Ministry of Social Justice and Empowerment)

S/No.	Disability Type	Type of Disability	Specified Disability
1.	Physical Disability	A. Locomotor Disability* B. Visual Impairment* C. Hearing Impairment* D. Speech & Language Disability	a. Leprosy cured person, b. Cerebral Palsy, c. Dwarfism, d. Muscular Dystrophy, e. Acid attack Victims, f. others such as Amputation, Poliomyelitis a. Blindness b. Low Vision a. Deaf b. Hard of hearing a. Organic/ Neurological causes
2.	Intellectual Disability		a. Specific Learning Disabilities(Perceptual disabilities, Dyslexia, Dyscalculia, Dyspraxia & Developmental Aphasia b. Autism Spectrum Disorders
3.	Mental Behaviour		a. Mental illness
4.	Disability caused due to	a. Chronic Neurological Conditions b. Blood Disorders	i. Multiple Sclerosis ii. Parkinsonism i. Haemophilia, ii. Thalassemia, iii. Sickle Cell Disease
5.	Multiple Disabilities including Deaf Blindness		More than one of the above specified disabilities

- **Conclusion:** He/ She is **Eligible/ Not Eligible** for admission in Medical/ Dental courses as per the MCI Gazette Notification subject to his being otherwise medically fit.
- ❖ Functional competency with the aid of **Assistive devices** in case of **Locomotor*/ Visual*/ Hearing* Impairment**, if any _____

Sign & Name _____
(Concerned Specialist)

Sign & Name _____
(Concerned Specialist)

Sign & Name _____
