The convener welcomed the members and took up the agenda for discussion.

Agenda: Request for academic leave to attend Faculty Development Programs

The members were of the opinion that there is a constant need of updating oneself with knowledge related to his/her field and for that faculty development programs are a must. In line with the same ATAL-FDP programs are conducted and those faculties interested in attending those programs can be given academic leave for attending the same. It is also discussed to request for some kind of incentivizing program for encouraging faculties to attend the same.

The Convener agreed for the same and it was decided to raise a request to Vice Chancellor and Registrar for necessary action.

The Convener thanked all the members for attending and active participation. With this the meeting came to an end.
