Agenda 01: To formulate activities related to Intern Care Initiative

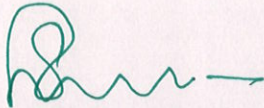

Discussions were made to plan activities related to internship training programs that will help students to apply the knowledge acquired to put into action. The training programs will also help them to get exposure of different working conditions and think about some innovative ideas. It was also suggested to plan for facility visits in order provide an insight into the operations of the industry and practice of skills in the work spot.

Agenda 02: To introduce students to fellowship programs on research, teaching and professional development.

In view of improving communication skills, commitment to community or national service and to identify leadership skills and abilities of the students it is essential to introduce students to new fellowship programs on research, teaching and professional development. Discussions

regarding the same was done with all the committee members and was decided to forward this concern to Registrar for further action.

The meeting was then concluded by the convenor after thanking all the committee members for their active participation.
