The Dean addressed the members and initiated the minutes of meeting.

Agenda: To organise training programs in telemedicine for all the doctors

Considering the rise in number of cases due to COVID19 pandemic, it is advisable to practice telemedicine by all the doctors for non-emergency issues. The members of the committee suggested having training programs in telemedicine for all the consultants of CHRI. After proper discussion about this issue, it was decided by the committee members to put forth this suggestion to Registrar for necessary action.

The meeting was then concluded by the convenor after thanking all the committee members for their active participation.

Dr. Pitchai Balashanmugam,
