

Publication:

Authors	Title of the paper	Journal
Vinoth G Chellaiyan , A Y Nirupama , Neha Taneja	Telemedicine in India: Where do we stand?	Journal of Family Medicine and Primary Care
Danis Vijay D., Jayanthi S., Meenakshi N., Meharaj S.H.S., Sujhithra A., Perumal J.	Characterization of virulence factors, antifungal resistance with ERG-11 gene among Candida species isolated from pulmonary samples	Microbial Pathogenesis
Kumar H.R.V., Elancheran M., Dhamotharan S.R., Indrani J.C.	Novel PALB2 deleterious mutations in breast cancer patients from South Indian population	Gene Reports
Surya B., Ravivarman G.	A study of the health care seeking behavior about the reproductive tract infection among the rural women in reproductive age group in Kancheepuram district, Tamil Nadu	International Journal of Pharmaceutical Research
Ambigai S.S.K., Srinivasan S.	A cross study: The proportion of PCOS in women presenting with acne vulgaris	International Journal of Pharmaceutical Research
Manjumeena D., Srinivasan S.	A clinical study of psoriasis and its association with metabolic comorbidities	International Journal of Pharmaceutical Research
Loganathan S., Murali R.	A modern approach on self care practices among type 2 diabetic patients	International Journal of Pharmaceutical Research
Sudharsan B., Ravivarman G.	Impact of alcohol and smoking factors for urinary incontinence in urban	International Journal of Pharmaceutical Research
Kiruba D., Srinivasan S.	Evaluate the efficacy of autologous serum therapy (AST) in patients with chronic idiopathic urticaria	International Journal of Pharmaceutical Research
Madhumitha M., Srinivasan S.	A study of efficacy of autologous platelet rich plasma in the treatment of chronic diabetic foot ulcers	International Journal of Pharmaceutical Research

Sudharsan B., Ravivarman G.	Measuring quality of life among elderly: Associations of several metrics	International Journal of Pharmaceutical Research
Surya B., Ravivarman G.	A community based cross sectional study on the prevalence of reproductive tract infections among rural women in Kancheepuram district, Tamil Nadu	International Journal of Pharmaceutical Research
Madhumitha M., Srinivasan S.	An observation for any side effects of PRP in patients with chronic diabetic foot ulcers	International Journal of Pharmaceutical Research
Uppili Venkat Ragavan M., Murali R.	Prevalence and risk factors of osteoarthritis of knee joint among adult population in rural area of Kancheepuram district, Tamil Nadu	International Journal of Pharmaceutical Research
Surya B., Ravivarman G.	A study of infections among rural women: Association of socio demographic factors with dyspareunia and abdominal pain	International Journal of Pharmaceutical Research
Uppili Venkat Ragavan M., Murali R.	Measurement the prevalence of osteoarthritis of knee joint in urban	International Journal of Pharmaceutical Research
Srinivas K.S.N., Murali R.	A hospital based cross sectional study: Distribution of study ladies according to usage of family planning methods and previous history of hypertension	International Journal of Pharmaceutical Research
Christopher C., Murali R.	To estimate the prevalence of depression, anxiety, and stress among adolescents in Kancheepuram district, Tamil Nadu	International Journal of Pharmaceutical Research
Shivasakthimani R., Ravivarman G.	A hospital based cross sectional study: Distribution of compliance for completion of arv 4 dose among study participants	International Journal of Pharmaceutical Research
Maanasa T.J., Srinivasan S.	A study of the ultrasonographic cross sectional area [CSA] and fascicular changes of ulnar nerve in patients newly diagnosed with hansen's disease	International Journal of Pharmaceutical Research
Mallika S.V., Murali R.	An evaluation of epidemiological factors relating to overweight, obesity in urban Chennai	International Journal of Pharmaceutical Research
Maria Annita Tellcott S., Srinivasan B., Ruthran V., Joseph J., Sabari Sridhar	The pattern of cognitive impairment in patients with alcohol dependence syndrome	International Journal of Pharmaceutical Research

O.T., Kailash Suresh K., Shajahan Ismail S., Kailash, Shabeeba K.		
Srinivas K.S.N., Murali R.	A hospital based cross sectional study: Influence of demographic factors for pregnant women in Chennai	International Journal of Pharmaceutical Research
Srinivas K.S.N., Murali R.	Risk factors associated with pih: Adjusted odds ratios by multiple logistic regression analysis	International Journal of Pharmaceutical Research
Lingeswaran W., Murali R.	A study on risk factors of anaemia among pregnant women	International Journal of Pharmaceutical Research
Lingeswaran, Murali R.	An approach of nutritional deficiency disorder among pregnant women	International Journal of Pharmaceutical Research
Ruthran V., Joseph J.	An approach of resistance pattern of the four common antifungal drugs griseofulvin, terbinafine, itraconazole and fluconazole in patients having dermatophytosis	International Journal of Pharmaceutical Research
Riswana Jasmine M., Kulah S.	Correlate the clinical response of drugs with the invitro antifungal susceptibility	International Journal of Pharmaceutical Research
Preethi K., Srinivasan B.	A study of ultrasound guided examination of peripheral nerves with electrophysiologic correlation in leprosy	International Journal of Pharmaceutical Research
Maanasa T.J., Srinivasan B., Vidyendranruthran, Joseph J., Sabari Sridhar O.T., Kumar K.S., Sabari S.I., Kailash, Kulah S.	An assessment study of the attitude of caregiver and ward staff on aggression in hospital	International Journal of Pharmaceutical Research
Mallika S.V., Murali R.	Impact of an external and internal factors of overweight and obesity in urban	International Journal of Pharmaceutical Research
Srinivas K.S.N., Murali R.	A hospital based cross sectional study: Clinicoepidemiological factors for pregnancy induced hypertension among antenatal mothers	International Journal of Pharmaceutical Research

Riswana Jasmine M., Srinivasan S.	A study of resistance to systemic antifungal drugs and its clinical correlation in dermatophytosis	International Journal of Pharmaceutical Research
Manjumeena D., Maria Annita Tellcott S.	Comparisons of the severity of psoriasis with metabolic comorbidities in kanchipuram district	International Journal of Pharmaceutical Research
Maria Annitatellcott S., Srinivasan B., Vidyendran R., Jessie J., Sabari Sridhar O.T., Kailash Suresh K., Shajahan Ismail S., Kailash, Shabeebakulah	A study for influencing of several factors in alcohol dependence patients	International Journal of Pharmaceutical Research
Maanasa T.J., Srinivasan B., Ruthran V., Joseph J., Sabari Sridhar O.T., Kumar K.S., Sabari S.I., Kulah K.S.	Prevalence, patterns and predictors of aggression among psychiatric inpatients in a general hospital setting	International Journal of Pharmaceutical Research
Mallika S.V., Murali R.	A study on the pattern of body image perception among adolescents in urban chennai	International Journal of Pharmaceutical Research
Loganathan S., Murali R.	The determinants of self care practices by using dsme to facilitate the patients in Kanchipuram district	International Journal of Pharmaceutical Research
Sudharsan B., Ravivarman G.	Prevalence of urinary incontinence and its impact on quality of life among elderly in Kanchipuram district	International Journal of Pharmaceutical Research
Shivasakthimani R., Ravivarman G.	A study on anti-rabies vaccine among dog bite victims in Chennai region	International Journal of Pharmaceutical Research
Kavin Amuthan A.M., Raja Purushothaman J.	Connection of femoral neck with gender of study to distinguish the prevalence of regional osteoporosis in patients	International Journal of Pharmaceutical Research
Vetri Kumar M.K., Narayana Reddy M.	Association of femoral neck with nutritional status of study to know the prevalence of regional osteoporosis in patients	International Journal of Pharmaceutical Research

Ganavi G., Reena F.F.	Evocative study to identify the prevalence of regional osteoporosis in patients	International Journal of Pharmaceutical Research
