		cooperative ability with social	
		quotient of mentally	
		challenged children	
12.		Knowledge and Attitude	To modify the proposal
		towards Telemedicine among	, , ,
		Doctors in Chengalpattu	
	Dr Vishalini.A	district-A cross sectional study	
13.		Assessment of antimicrobials	Modify the proposal and submit
		prescribing pattern and drug	
		inventory control analysis of a	
		tertiary care hospital: A cross	
	Dr.Sasithra. S	sectional study	
14.		Comparison of Intravenous	To monitor for hypotension and postural hypotension
		Dexamethasone and	
		Intravenous Magnesium	
		Sulphate before subarachnoid	
		block to evaluate post	
		operative analgesia for lower	
	AriyasundariSomasundaram	abdominal surgeries	
15.		A comparative study to find	Approved
		out effectiveness of Inlow's 60	
		seconds diabetic foot	
		screening tool v/s modified	
		Inlow's diabetic foot screening	
		tool in diagnosing early	
	D M Shribhagya	diabetic foot complications	
16.		EFFECTIVENESS OF	Approved
		PHYSIOTHERAPY ON	
	Sp.MUTHU KAVITHA, T.	BILATERAL TOTAL KNEE	
	ALAGAPPAN	REPLACEMENT	
17.		Challenges in handling	Advised to select an alternative topic
		biomedical waste in a tertiary	
	Dr.Divyaparvathy J	care hospital in Chengalpattu	

		district: A mixed method study	
18.		DIRECT vs. INDIRECT SINUS	Competency of the investigator has to be confirmed.
		LIFT PROCEDURE-A	
	Dr.Kayalvizhi.M	COMPARATIVE STUDY	
19.		Is Bladder Training by	Approved – Duration of catheterization and the type of catheter can
		Clamping Protocol Prior to	be considered for assessment
		Foley's Catheter Removal	
	DR. MOHIT NAREN	Effective for Short-Term	
	KONDAPALLI	Indwelling Urinary Catheter	
20.		"DELTA NEUTROPHIL	To get permission from the concerned dept and resubmit
		INDEX(DNI) VS C REACTIVE	
		PROTEIN VS NEUTROPHIL	
		LYMPHOCYTE RATIO (NLR) VS	
		RED CELL DISTRIBUTION	
		WIDTH (RDW)— TO	
		DETERMINE THE BETTER	
		EARLY PREDICTOR OF	
	NARRA MITHRAVINDA	COMPLICATED APPENDICITIS"	
21.		The Need for Telemedicine	Advised to modify the proposal
		during Covid-19 crisis among	
		adult population of urban	
	Dr. Jerry Alfred S	Chennai.
