

National Safety Day

Date: 04.03.2021

Venue: Padur and Kelambakkam

Time: 8.30-10.30 am

Summary: Road Safety Day - Road Safety Awareness Rally

To commemorate National Safety Day being observed on 4th March 2021, the Department of Microbiology, CHRI organized and conducted a Road Safety Awareness program, with active participation of NSS unit and UBA of Chettinad Academy of Research and Education, U0451. The theme for 2021 was Road Safety.

100 student Volunteers participated from all streams of CARE. A road rally was conducted with the support of the Sub Inspector Kelambakkam E8 police station and his team and Security personnel of Chettinad Health City, who also participated in the rally and guided the volunteers. The students stopped the two-wheeler riders without helmet and advised them of the ill effects of doing so. Pamphlets depicting the ten commandments of Road Safety were distributed among the general public, to spread the awareness on Road Safety.
