The convener welcomed the members and initiated the meeting.

Agenda 1: To welcome the new members of the committee

The convener welcomed the new members of the career counselling and placement cell committee. The convener briefed about the activities of the committee to all the members.

Agenda 2: To review about the results of Campus interview and In house Placement for Nursing students

The College of Nursing conducted Campus interview and In house placement for the Nursing students from 20/7/22 to 29/7/22. A total of 80 students took part in this placement. Institutions like Apollo Hospital and Madras medical mission held their Campus interview on 22/7/22 and 29/7/22 respectively. 56 students were selected by Apollo Hospital and 30 were selected by Madras medical mission. A total of 57 students were chosen by Chettinad Hospital and Research Institute and 37 for Chettinad Super Speciality Hospital. The members discussed to encourage the heads of other schools to plan for such campus interviews in the future.

Agenda 3: To organize short term internship for students of school of pharmaceutical science

It was discussed among the members that short term work experience in pharmaceutical companies will help the students understand pharmaceutical industry. During this internship, students will also learn about the process of drug discovery and development which will benefit further career development.
