## ***About Chettinad***

The Chettinad Group with a legacy of over 60 years in education, have been pioneers in providing progressive learning environment across Tamil Nadu. The Chettinad Group is currently responsible for over 12000 students in 22 private, government-aided schools and colleges for Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences and Pharmaceutical Science.

Approved by  
**University Grants Commission (UGC)**

## About CARE

Chettinad Academy of Research and Education (CARE), was established and was conferred the status of Deemed to be University in the year 2008. CARE has been accredited with grade “A++” by NAAC, accorded 12(B) status of UGC & accorded SIRO status by DSIR. In conformity with the vision of the University, the academic programs offered are professional, job oriented and innovative. CARE offers 60+ academic programs in faculty of Medicine, Nursing, Allied Health Sciences, Law, Pharmaceutical Sciences, Physiotherapy and Architecture. Program range includes 17 undergraduate, 48 Post Graduate, 1 Post Graduate Diploma, 7 Super Speciality courses and Doctor of Philosophy. Most of these courses are interdisciplinary and as per emerging needs. Choice Based Credit System pattern is followed in many programs and is integrated with research projects that engage students in a deep dive through research.

CARE has 2500+ students pursuing their UG, PG or Ph.D education in an academic year. Deserving students are offered upto 100% scholarship. The intellectual capital of CARE comprises of qualified, proficient and dedicated 400+ teachers and a well-stocked Library having books, 6000+ e-journals and data base that form the backbone of CARE. In addition CARE has more than 1100 publications, 35+ patents and 50+ active MOUs.

# Vision

*To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.*

Accredited by  
**NAAC - Grade 'A++'**

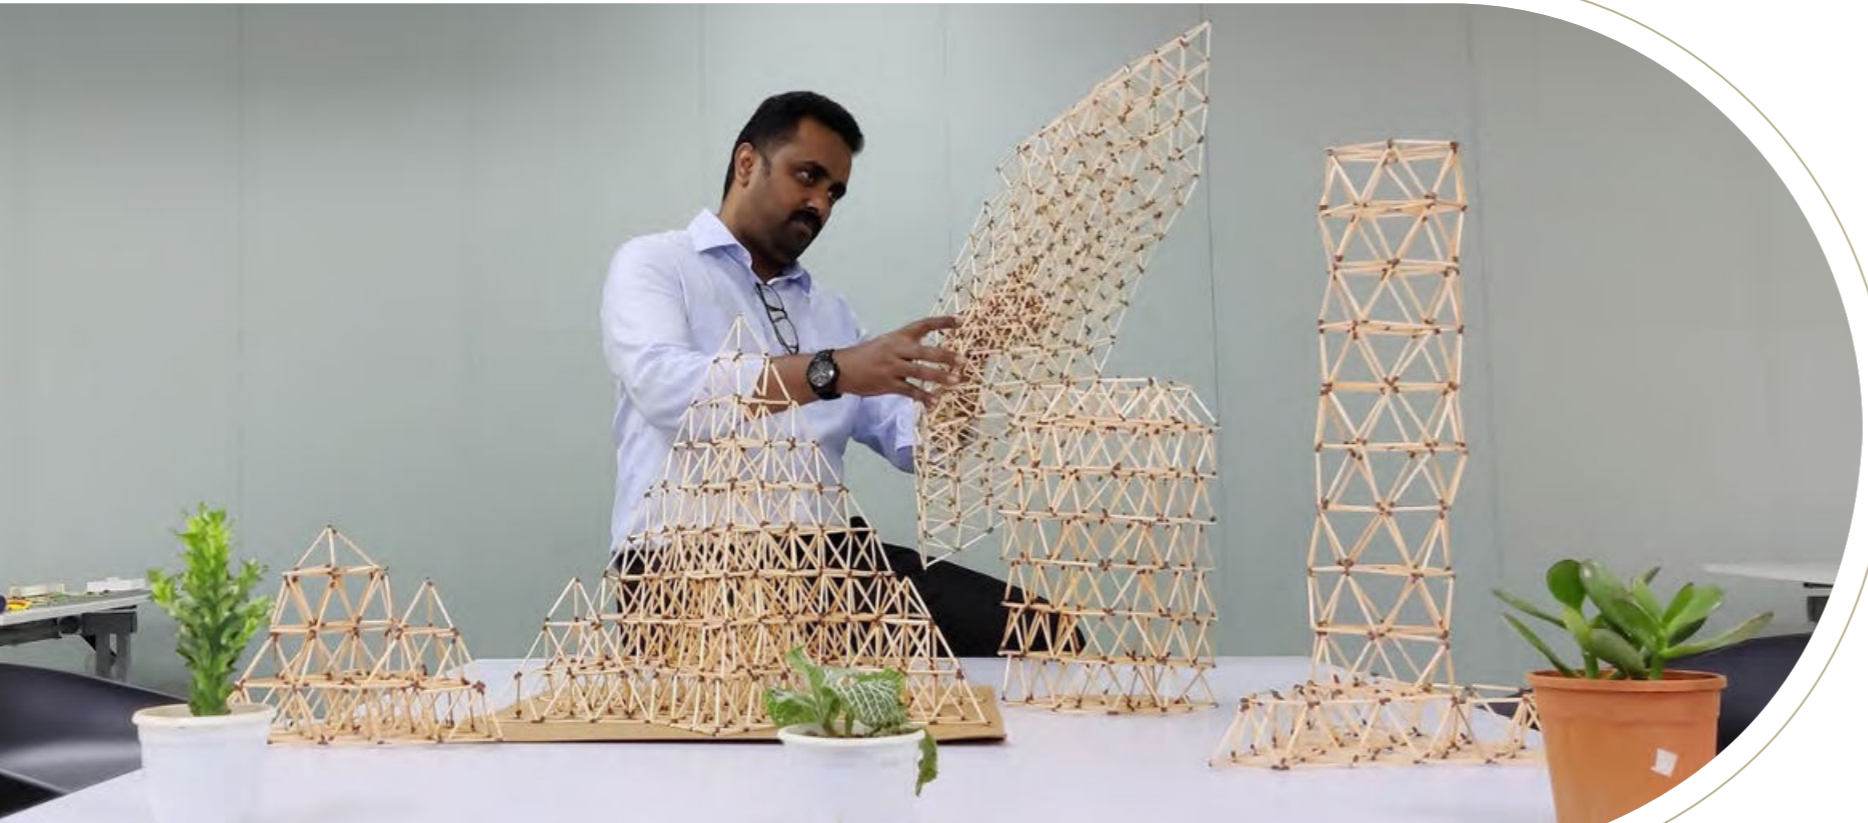

## About Chettinad School of Architecture

The Chettinad School of Architecture approved by the Council of Architecture and AICTE, was founded with the vision to become one of the foremost schools for learning Architecture and the built environments. Chettinad enjoys all time world acclaim about its significant Architecture by tradition. Following through the same, the Chettinad Academy of Research and Education has come up with School of Architecture to promote futuristic Architectural Education with embodied traditional values. We also follow internationally accepted best practices of the academia. We believe in research and innovative excellence that are fostered through interdisciplinary cutting edge technologies across academic programs to prepare students and faculties to address the pressing issues of the present, with a vision towards future.

***One of the great beauties of architecture is that each time, it is like life starting all over again.***

*-Renzo Piano*

## ***Life At Chettinad School of Architecture***

### ***Live Case Study***

Chettinad School of Architecture works towards encouraging students to have on site knowledge on a regular basis with on-going sites. The School also helps the students to experience, learn and document the surroundings through Case studies which are guided by the professionals.

### ***Internship Program***

Chettinad School of Architecture helps the students find the best Architectural Firms in Indian and abroad which in turn gives the students a new experience and exposure towards trending Architectural practices. The University is also associated with eminent Architects who offer summer and winter internship programmes.

### ***Review System***

Chettinad School of Architecture has a very special Review system where in, the school conducts multiple Reviews by the top Architects in the country for every batch which helps the students to get enormous knowledge from industry.

### ***Competitions & Workshops***

Chettinad School of Architecture allows the students to participate in various design competitions to get a new set of experience. We conduct a lot of Workshops by eminent professionals to get a hold on the materials, design technologies and latest softwares to encourage the students on developing the skills and making them future ready Architects.

***As an architect you design for the present, with an awareness of the past, for a future which is essentially unknown.***

*-Norman Foster*
