About Chettinad

The Chettinad Group with a legacy of over 60 years in education, have been pioneers in providing progressive learning environment across Tamil Nadu. The Chettinad Group is currently responsible for over 12000 students in 22 private, government-aided schools and colleges for Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences and Pharmaceutical Science.

Accredited by
NAAC 'A++' grade

About CARE

Chettinad Academy of Research and Education (CARE), was established and conferred the status of Deemed to be University in the year 2008. CARE has been accredited with grade “A++” by NAAC, accorded 12(B) status of UGC and accorded SIRO status by DSIR. In conformity with the vision of the University, the academic programs offered are professional, job oriented and innovative. CARE offers 60+ academic programs in faculty of Medicine, Nursing, Allied Health Sciences, Law, Pharmaceutical Sciences, Physiotherapy and Architecture. Program range includes 17 undergraduate, 48 Post Graduate, 1 Post Graduate Diploma, 7 Super Speciality courses and Doctor of Philosophy. Most of these courses are interdisciplinary and as per emerging needs. Choice Based Credit System pattern is followed in many programs and is integrated with research projects that engage students in a deep dive through research.

CARE has 2500+ students pursuing their UG, PG or Ph.D education in an academic year. Deserving students are offered upto 100% scholarship. The intellectual capital of CARE comprises of qualified, proficient and dedicated 400+ teachers and a well-stocked Library having books, 6000+ e-journals and data base that form the back bone of CARE. In addition CARE has more than 1100 publications, 35+ patents and 50+ active MOUs.

Vision

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.

About Chettinad School of Occupational Therapy

Chettinad School Of Occupational Therapy was a newly established institution from the 2022-23 academic year under Chettinad Academy of Research and Education (CARE). Chettinad School of Physiotherapy follows the Credit based semester pattern for both the undergraduate and postgraduate programs and integrated with research projects that engage students in discovery through research. Potential of employment for students in Clinical Skill is established through hospital clinical training. We have 1200 bedded Chettinad Hospital and Research Institute where the physiotherapy students can gain the practical exposure of varying patient rehabilitation under clinical supervision. Course curriculum are designed and periodically revised with clinical and academic expert guidance to make the students work, world and future ready.
