About Chettinad

The Chettinad Group, with a legacy of over 60 years in education, has been a pioneer in providing a progressive learning environment across Tamil Nadu. It currently educates over 12,000 students across 22 private and government-aided institutions, including schools and colleges for Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences, and Pharmaceutical Sciences.

Accredited by
NAAC - Grade "A++"

About CARE

Chettinad Academy of Research and Education (CARE) was established and conferred the status of Deemed to be University in 2008. CARE has been accredited with an “A++” grade by NAAC, accorded 12(B) status by UGC, and recognized as a Scientific and Industrial Research Organization (SIRO) by DSIR.

CARE offers programs in Medicine, Nursing, Allied Health Sciences, Law, Pharmaceutical Sciences, Physiotherapy, and Architecture. The program range includes 17 undergraduates, 48 postgraduates, 1 postgraduate diploma, 7 super speciality courses, and Doctor of Philosophy programs. Most courses are interdisciplinary and aligned with emerging industry needs. Many programs follow the Choice-Based Credit System (CBCS) and integrate research projects, providing students with an in-depth learning experience.

CARE has over 2,500 students pursuing undergraduate, postgraduate, or Ph.D. programs each academic year. Deserving students are offered scholarships of up to 100%.

The intellectual capital of CARE includes a team of 400+ qualified, proficient, and dedicated faculty members. The well-stocked library houses a vast collection of books, along with access to 6,000+ e-journals and databases, forming the backbone of academic excellence at CARE.

Additionally, CARE boasts more than 1,100 research publications, 35+ patents, and 50+ active MOUs, reinforcing its commitment to innovation and academic collaboration

Vision

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.

About Chettinad College of Nursing

The Chettinad College of Nursing was established with the mission to prepare nurses to meet global standards for both local and international placements. The curriculum is designed to develop critical thinking skills, competencies, and standards required for the practice of professional nursing and midwifery, as envisioned in the National Health Policy.

Additionally, our graduates are trained to become exemplary citizens by adhering to the code of ethics and professional conduct at all times, fulfilling personal, social, and professional obligations to contribute to national aspirations.
