I Introduction

Welcome to Chettinad Hospital and Research Institute (CHRI), a constituent college of Chettinad Academy of Research and Education, recognized as Deemed to be University under section 3 of the UGC Act, 1956 – An Exceptional Destination for Medical Education.

This information bulletin is your comprehensive guide to the admission / counseling process for the M.B.B.S. Degree Course at CHRI for the academic year 2025-26. We invite ambitious students aspiring to embark on a rewarding journey in the medical field to explore the exceptional opportunities offered at our esteemed institution.

The Medical Counseling Committee (MCC) of the Directorate General of Health Services (DGHS) will orchestrate an online counseling process for the allotment of 100% of seats with an All-India character in participating Deemed Universities across the nation. This inclusive process encompasses admissions to MBBS degree course offered by this esteemed institute.

By participating in the counseling process of MCC of DGHS, candidates acknowledge their comprehensive understanding and consent to all stipulations, clauses, and norms mandated by the National Medical Commission (NMC), as well as the contents outlined in the Information Bulletin/Prospectus. This acknowledgment signifies their commitment to adhering to the established guidelines and regulations governing the admission process.

II About Chettinad

The Chettinad Group, with its rich legacy spanning several decades in the field of education, has established itself as a pioneer in providing progressive learning environments across Tamil Nadu. The Group's educational initiatives encompass a wide spectrum of institutions, including private and government-aided schools, as well as colleges offering diverse professional programs.

The Chettinad Group's educational portfolio extends to various disciplines, including Medicine, Dentistry, Engineering, Law, Architecture, Physiotherapy, Nursing, Allied Health Sciences, Pharmaceutical Sciences, Occupational Therapy, Arts & Sciences. This comprehensive range of offerings reflects the Group's commitment to nurturing talent across multiple fields and contributing to the development of a skilled workforce.

Through its network of educational institutions, the Chettinad Group continues to shape the academic landscape of Tamil Nadu, fostering an environment of excellence and innovation in learning. The Group's dedication to quality education has positioned it as a

[Chettinad Hospital and Research Institute – Information Bulletin/Prospectus – M.B.B.S. Degree Course 2025-26](#)

trusted name in the region, attracting students seeking holistic and forward-thinking educational experiences.

III About Chettinad Academy of Research and Education (CARE)

Chettinad Academy of Research and Education (CARE) conferred the status of Deemed to be University under section 3 of the UGC Act, 1956, notified as "Category I" Institution by UGC and accredited with 'A++' grade by NAAC.

Vision

To offer transformative education and enable individuals to become responsible, empathetic global citizens who contribute towards a sustainable future.

Mission

- Create a nurturing and supportive environment to ensure students a fulfilling, demanding and intellectually stimulating experience.
- Enable students to imbibe values, cultivate a desire for lifelong learning and maximize their potential.
- Prepare students for employment in the global arena.
- To establish a team of well-qualified faculty that will enable the institution to grow holistically.
- Provide the best state of the art infrastructure. Offer quality health services to all strata of society.
- To facilitate independent innovative research and share knowledge and understanding with the society.
- To contribute to the social, economical and national development.

Constituent Colleges and Schools of CARE:

- Chettinad Hospital and Research Institute (Medical and Allied Health Sciences)
- Chettinad College of Nursing
- Chettinad School of Pharmaceutical Sciences
- Chettinad School of Physiotherapy
- Chettinad School of Occupational Therapy
- Chettinad School of Law
- Chettinad School of Architecture

IV About Chettinad Hospital and Research Institute (CHRI)

Chettinad Hospital and Research Institute is a constituent college of Chettinad Academy of Research and Education and caters to the health needs of the surrounding villages both in diagnostics, preventive and curative services. CHRI is situated in a sprawling campus away from the hustle and bustle of the city in sylvan surroundings. CHRI offers a conducive environment for learning. Student centered state-of-the-art facilities, sophisticated infrastructure, libraries with the latest medical journals, and futuristic learning methodology systems benefit the learning process of the students.

1. Teaching programmes offered by Chettinad Hospital and Research Institute are guided by the respective statutory councils. The methodology of teaching is reviewed periodically by the Board of Studies / Academic Council of the University and are updated to keep abreast with the latest advancements.

2. State-of-the-art equipments and cutting-edge technology are being provided for the treatment of patients visiting the teaching hospital. An eco-friendly campus along with optimal use of information technology is ideally suited for academic pursuits and greatly augments teaching learning activities.

Regular continuing education programmes and faculty development programs contribute immensely to update the knowledge and improve the teaching skills.

About Hospital:

Established in 2006, Chettinad Hospital and Research Institute (CHRI) has distinguished itself as a premier institution for medical education in India. Our commitment to excellence has made CHRI a sought-after destination for aspiring medical professionals nationwide.

Academic Excellence:

Highly qualified and experienced faculty, Comprehensive library resources

State-of-the-art museums and laboratories Innovative skill and virtual learning facilities

Our graduates consistently excel in their medical careers, making significant contributions both domestically and internationally. CHRI is dedicated to empowering students with the knowledge, skills, and confidence necessary to meet the evolving challenges of the medical field.

Clinical Facilities:

- Advanced patient care facilities for hands-on clinical experience
- Focus on developing both technical skills and compassionate patient care
- Rural and urban health centers providing diverse healthcare exposure

Interdisciplinary Environment:

CHRI offers a unique, multicultural setting that encourages collaboration among students from various professional disciplines, fostering innovation and cultural competence.

Campus and Amenities:

Eco-friendly, expansive campus, modern residential, facilities comprehensive, sports and recreational amenities.

Central Library:

The Central Library at Chettinad Academy of Research and Education has an imposing infrastructure covering an area of 40,000 sq. ft, it can comfortably accommodate 500 readers at a time and is well-stocked with **53,248+** books, comprising of most recent editions of recommended textbooks and reference books (both Indian and International). The Library is equipped with an all-inclusive collection of books related to medicine, allied health sciences, nursing, pharmacy, physiotherapy, occupational therapy, law, architecture and research.

As per the contemporary requirements, a digital library with internet access, Medlar search facilities, media resource services, computerized database access and E-access are also available to access more than **1,84,781+** e-books and **9000+** e-journals available.

Simulation Lab:

Our Clinical Skills and Simulation Center (CSSC) offers a safe and protected environment that bridges the gap between classroom learning and real-world clinical settings. It houses state-of-the-art equipment, anatomical models, and electronic simulators, providing hands-on learning experiences for medical, dental, and nursing students, as well as professionals. The CSSC enables participants to develop essential clinical skills, communication abilities, and practical knowledge through realistic simulations and computer-generated scenarios, mimicking acute medical conditions. High-fidelity adult, pediatric, and neonatal mannequins allow for practicing in a controlled environment, reducing anxiety and ensuring proficiency before interacting with actual patients, ultimately enhancing patient safety and effective management.

remit the tuition fee and other applicable fees for the 'entire/ remaining duration of course period'.

IX General Information:

- Your admission is based on meeting the eligibility and health requirements set by the authorities.
- If you provide false information or fake documents, your admission will be cancelled, fees will not be returned, and you could face legal action.
- If you receive a provisional allotment letter, please submit all required documents to the institute along with payment of fees within the scheduled time. Don't wait until the last minute, as document verification and admission processes take time.
- You must report in person on the date and time given by the MCC in your allotment order. Bring all original documents and make sure your tuition fee payment is complete.
- If your original documents are with another institution, you need to retrieve them. Admission will not be completed if you only bring a certificate stating your documents are elsewhere.
- Once admitted, you must follow the university's rules regarding the syllabus, exams, fees, and conduct.
- The university can change any rules to comply with official regulations from time to time.
- Once admitted to this Institution no student shall be allowed to seek transfer/migration to any other Medical Institution within or outside the state under any circumstances.
- You must pay all tuition and other fees by the due dates in the coming years. If you don't, your name will be removed from the college rolls.
- You must be present yourself for counseling and admission. No one else can represent you.
- Any disputes about these rules will be decided by the Vice Chancellor, and their decision is final.

Legal matters related to this bulletin / prospectus will be handled in Chennai only.

- Try not to take long leave and aim to finish your course on time. No student shall be allowed to continue MBBS course after nine (09) years from the date of admission into the course.
- Your name and date of birth will be registered as in your certificate of qualifying exam passed. No changes will be allowed later, so check these details carefully during admission.

Anti-Ragging Policy:

- Ragging is strictly banned and is a punishable crime. The university follows strict rules to prevent ragging, in line with national regulations.

Break of Study:

- In case if the study period of students is extended for whatsoever reasons they are required to remit the prescribed 'Break Fee' to the institution.

Compulsory Rotating Medical Internship (CRMI):

- **Mandatory Internship:** After you pass the final MBBS Part II exam, candidates must do a 12-month medical internship. This is a key part of your training.
- **Flexible Duration:** If needed, this duration will be extended appropriately by a reasonable period on recommendation by the college or university.
- **Completion Time:** Candidates should complete the twelve months period of internship within two years of passing final MBBS part II examination.
- **No CRMI Transfer:** The candidates shall complete their entire period of CRMI training at CHRI where they have pursued and completed their MBBS degree course.
