The convener welcomed the members and took the agenda for discussion.

Agenda 1: To inspect and maintain Electrical Safety Standards

The committee emphasized the need to conduct an electrical safety audit across the hospital and college premises. This includes checking for loose wiring, overloading risks, non-functional equipment, and ensuring compliance with safety protocols. The Engineering Department was requested to schedule periodic inspections and rectify hazards immediately.

Agenda 2: To ensure Water and Food Safety in Campus Facilities

The committee discussed the importance of safe drinking water and hygienic food supply within the hostels, food court, and canteens. Regular water quality testing, kitchen inspections, and pest control measures were recommended. The members stressed that these checks are crucial for preventing outbreaks during disasters and maintaining overall safety.

The convener thanked all the committee members for their valuable opinion and concluded the meeting.
