The Convener welcomed the members and initiated the meeting.

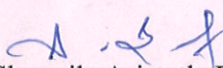

Agenda 1: To Launch Counselling Circles

The committee proposed initiating counselling circles to provide a safe space for marginalized students to share challenges and seek guidance. These circles will be facilitated by trained student leaders with support from the Psychology Department and the College Counsellor. The aim is to build confidence, improve mental well-being, and foster inclusivity.

Agenda 2: To Organize Alumni Networking and Career Exposure Programs

The members proposed organizing networking events with alumni and professionals from diverse sectors. These events will provide marginalized students with exposure to career opportunities, pathways for higher studies, and professional growth strategies. The committee emphasized building long-term alumni-student connections to strengthen inclusivity and career readiness.

After discussing with the committee members, it was decided to formally request the Registrar and Vice-Chancellor to approve the implementation of the above-mentioned career guidance programs. The convenor thanked all committee members for their active participation and concluded the meeting.
