Agenda 1: To Organize Awareness Programs on Inclusivity and Diversity

The committee proposed conducting awareness sessions on inclusivity and diversity to sensitize students, faculty, and staff. Programs will focus on addressing unconscious bias, gender sensitivity, and equity in academic and workplace environments. Experts from social organizations will be invited to lead interactive workshops.

Agenda 2: To Develop Mentorship Programs for First-Generation Learners

The members suggested introducing a structured mentorship program for first-generation learners to support their academic journey. Senior students and faculty mentors will guide them in adapting to college life, managing coursework, and exploring career opportunities. The committee emphasized periodic reviews to measure the program's impact.

After discussing with the committee members, it was decided to formally request the Registrar and Vice-Chancellor to approve the implementation of the above-mentioned career guidance programs. The convenor thanked all committee members for their active participation and concluded the meeting.
