Agenda 1: Request for Extension of Canteen Hours

Students requested the extension of canteen operating hours, especially for hostel residents who attend late clinical postings and night study sessions. The committee decided to discuss with the canteen management to extend services until 08:00 PM and provide healthy late-hour snack options.

Agenda 2: Request for Additional Study/Discussion Rooms in Hostels

Student representatives expressed the need for dedicated study and discussion rooms inside hostels, as common areas are often crowded. The committee recommended allocating existing unused rooms and equipping them with tables, chairs, and adequate lighting to support group study and exam preparation.

After the discussion, the convener decided to address the agenda to the Vice Chancellor and Registrar for necessary action. The convener thanked all the committee members for their active participation and concluded the meeting.
